

MarbleJam Presents:

ELEMENTAL INSTRUCTIONAL ART

a social and inclusive art program for
teens & adults with special needs

This hands-on program invites
participants to:

- Unleash your creativity by exploring the foundational elements of art!
- Experiment with diverse materials.
- Learn about historical and contemporary artistic influences.
- Study modern artists and their techniques.
- Expand your creative range and develop your unique artistic voice.
- Participate in group projects using sculpture & collaborative collage!
