What is The Bright Beginnings Program?

Bright Beginnings, is a specialized in-facility ABA program offered by Harmony Bridge in partnership with the Small Stepz Academy, focusing on building essential life skills in a nurturing and structured environment for the pre-school population

Our evidence-based practices and compassionate care help children develop communication, social skills, and independence at their own pace.

Through a structured routine, skill-building exercises, and play-based interactions, we create a supportive setting where children can thrive.

Our Approach to Applied Behavior Analysis

Located within a warm and inviting space, Bright Beginnings offers sensory-friendly rooms, safe outdoor play areas, and state-of-the-art equipment tailored to support a wide range of therapy activities.

Take the first step toward a brighter future with Bright Beginnings. For more information or to schedule a tour, contact us by scanning the QR code on the page. We offer:
