

# Recovery Centers of America

AT RARITAN BAY

## Welcome to Recovery Centers of America at Raritan Bay. We're grateful to have the opportunity to help you today.

Upon admission, RCA patients will meet with their treatment team and begin to receive 24/7 medical supervision.

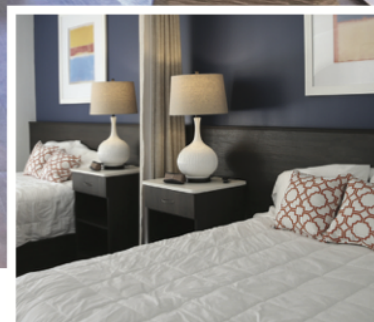

You will be cared for by our compassionate treatment team consisting of a medical director, nurses, psychiatric professionals, master's level primary therapists, and recovery support specialists.

We provide our patients with a complete continuum of care, including medically-monitored detoxification, residential inpatient, and a full spectrum of outpatient treatment services.

### Our Easy Admissions Process:

Call **1-800-RECOVERY** and on your first phone call, we will:

- Answer your phone call in 10 seconds or less
- Verify your insurance benefits in 5 minutes or less
- Schedule your admission into our facility 24/7
- Schedule complimentary intervention support
- Schedule complimentary transportation service to transport you to our facility

You will get a comfortable night's sleep.

Individualized treatment programs are created based on your needs.

Our community lounges are designed to keep you engaged and facilitate community healing.
